OUR PHILOSOPHY

Amazing Scholar Academy Preschool strives to provide a safe and loving environment for children ages 3 to 5, encouraging a sense of intellectual curiosity while developing the academic, social, emotional and physical skills needed to prepare each child for kindergarten. The activities are academically driven, yet also include play-based learning to create an atmosphere where students love to learn.

SPECIAL FEATURES

- **BIRTHDAY PARTIES** give special recognition to each child on his or her special day.
- **GUEST SPEAKERS** invited into the classroom help students develop an awareness of various professions and their role in the community.
- **SHOW AND TELL** gives each child the opportunity to be center-stage and develop verbal expression.
- **HOLIDAY CELEBRATIONS** help the children develop an awareness and appreciation for their own family customs, as well as the customs of different nationalities.
- **PARENT/TEACHER CONFERENCES** provide parents with an evaluation of their child's progress throughout the year.
- **INDIVIDUAL AND CLASS PICTURES** create memories of the happy times the children shared with their classmates.

"It's a wonderful, loving environment for those first experiences outside of the family."

Amazing Scholar Academy Preschool Parent

"My son learned to love school, which made the start of kindergarten 100 percent easier. He didn't struggle with anything in kindergarten."

PROGRAM OVERVIEW

The curriculum at Amazing Scholar Academy Preschool is designed to incorporate language development, social skills, art, math and reading-readiness activities, fine motor skills and gross motor skills. Most of the activities providing the total learning experience in these areas take place in four spacious rooms:

- **THE LEARNING CENTER** is used for cognitive development and contains a variety of materials geared toward math and reading-readiness, sensorial and self-care activities.
- **THE GYM ROOM** contains equipment for development of gross motor skills.
- **THE ART ROOM** has a variety of art materials where the children are given the opportunity for creative expression and development of small motor skills.
- **THE PLAY ROOM** is equipped for imaginary play and social interaction.
